PORT WINE

Port only made on very exceptional years. Aged in oak barrels to mature it is bottled, without any filtration whatsoever, between the second and third year after the harvest. VINTAGE Ports will then mature in the bottle for many years and they will gradually achieve the outstanding style of a great wine

Serving Tips: Ideal as a dessert or convivial wine, superb with high quality cheeses like Stilton and Roquefort, and also dark chocolate. Serve at 18°C/64°F. Prior decanting and careful serving are recommended. Ready to be consumed now or wait for the ageing evolution in the bottle
